

Say My Name

Utter Chaos Rule

Cards with "Discord" in their name (*title and/or sub-title*) have +1 power.

"You're gosh-darn right!"

Light as a Feather

Utter Chaos Rule

At the start of your turn you may discard a Pegasus Friend to move a character.

"If you can 'eat like a bird' and 'eat like a horse,' then what do pegasi eat like? Slobs, if Rainbow Dash is any indication."

Everypony Gets One

Utter Chaos Rule

The first Friend you play each turn is free and has no play requirements.
The first time you move a character each turn that move is free.

"And you too can have a brand new Princess Twilight Sparkle, for the low, low cost of just 0 bits!"

Bolt from the Blue

Utter Chaos Rule

The first time you flip a Blue card in a faceoff, flip an additional card.

"Did you hear the story about the little guy that lived in a blue world? All day and all night, everything he saw was blue. His house, his window, himself... all blue!"

Swear Jar

Utter Chaos Rule

At the beginning of the game, each player chooses a word. When an opponent says a player's chosen word, that opponent must pay that player 1 action token.

"%^&@!!"

Works Like Magic

Utter Chaos Rule

At the start of your turn you may discard a Unicorn Friend to gain 1 action token.

Discord is looking forward to the day that ponies invent cellular phones, and they find out that unicorns pick up cell service with their horns. It's going to be a good day.

Art Appreciation Day

Utter Chaos Rule

At the start of a faceoff, each player may reveal a card from their hand to an opponent with the name and text box covered. If that opponent is unable to guess the revealed card's name, that player may put the revealed card on top of their deck and flip an additional card.

One draconequus's masterpiece is another pony's worst nightmare.

Pure Chaos

Utter Chaos Rule

Chaotic cards have +1 power while flipped.

Pure, distilled chaos is made up of approximately:
- 27% anarchy
- 8% bedlam
- 45% pandemonium
- 19% disorder
- and trace Elements of Harmony

The Best Medicine

Utter Chaos Rule

The first time you flip a Pink card in a faceoff, flip an additional card.

"Laughter is the best medicine, but you can 'die laughing?!" What's the deal with that?"

I got a million of 'em folks!"

 The Orange of My Eye 

Utter Chaos Rule

The first time you flip an Orange card in a faceoff, flip an additional card.

"Orange you glad I didn't say banana?"

 Absolutely Discordant 

Utter Chaos Rule

At the end of each of the first player's turns, each player takes the place of the player to their right (*the player to your left gains control of all cards you control in all zones and your action tokens, and you gain control of all cards in all zones controlled by the player to your right and that player's action tokens. None of these cards change owners.*).

"Whoa."

 Chaos Capital 

Utter Chaos Rule

Players turn their draw decks over and play with them face-up.

"Why is it always 'upside down?' Why not 'downside up?' What's the deal with that?"

 White is the New White 

Utter Chaos Rule

The first time you flip a White card in a faceoff, flip an additional card.

Chartreuse is never the new white.

 Limbo 

Utter Chaos Rule

Faceoffs are won by the player with the lowest power.

How low can you go?!

 Let Them Eat Cake 

Utter Chaos Rule

Common cards have +2 power.
Uncommon cards have +1 power.
Rare cards have -1 power.
Ultra Rare cards have -2 power.

"Help, help, I'm being repressed!"

 Magically Chaotic 

Utter Chaos Rule

The first time you flip a Purple card in a faceoff, flip an additional card.

If you thought Utter Chaos Rules would be fair for everypony involved, then clearly you've never met Discord!

 Nepotism is Magic 

Utter Chaos Rule

The first time you flip a Yellow card in a faceoff, flip two additional cards.

Fluttershy IS Discord's favorite, after all.

 Ends of the Earth 

Utter Chaos Rule

At the start of your turn you may discard an Earth Pony Friend to draw two cards.

Earth ponies don't have wings and they don't have horns, but they have Pinkie Pie... and not even Discord can explain Pinkie!

Big Trouble for Little Ponies

Utter Chaos Rule

Troublemakers enter play face-up and have +2 power.

Sometimes it's a dangerous business, going out your door.
